**Did you catch our *Slide Slam*  
coverage in Newsday? [Click here to

*Slide Slam* features selected artists  
presenting their work for five minutes each.  
Artists have the opportunity to network  
with special guests including curators and  
arts professionals seeking new artists. This  
program is part of  
*PAC's 2018-2019 imPACTful Connections:*  
Island-wide networking for creatives and  
supported in part with public funding  
provided by Suffolk County.

This special programming consists of  
five *Slide Slam* events catalyzing to help unify LI's creative clusters by creating  
numerous substantial opportunities for artists through collaboration with other  
organizations, curators, collectors, arts professionals, and collectives. As a result,  
we will strengthen the collective artist presence on Long Island like our neighboring  
arts communities such as Brooklyn/Dumbo, and Hudson. *Slide Slam* hosts include  
the Patchogue Arts Council (x2) and Muñeca Arthouse, Paul W. Zuccaire Gallery,  
Heckscher Museum of Art, and Haven Art Gallery.

Starting to shoot season 2 this February

*Collected* addresses the rarely considered role of the art collector. Collectors have an essential place in the art world. Their financial support and encouragement of working artists are essential for maintaining the health of the visual arts in democratic society. Curator John Cino selected the works presented in this exhibit from a private collection. The eclectic selection has both representational and abstract works which might have formal characteristic similarities. [Read More...](#)
