CLASS / LECTURE

Thursdays

March 21 & 28

Session A: 6:30PM - 8:00PM

Learning to Look with John Cino

Have you ever wondered why Leonardo's "Last Supper" looks the way it does, or why artists put certain things in still-lives, or what Picasso was thinking, or why art from other traditions looks so different? This two-part lecture will offer tools for the viewer to better understand the message delivered through works of art. Exploring works from Renaissance, Modern, Asian art, and Africana art, the concepts of symbolism, form, function, and abstraction will be discussed.

Member: \$20

Non-member: \$25

The class above take place at the
