ABOUT THE PATCHOGUE ARTS COUNCIL

The Patchogue Arts Council (PAC serves, educates, and supports the arts community including artists working in all disciplines at various stages of their careers. It supports the development of new works and public projects through exhibitions and innovative programing with an emphasis on community engagement.

ABOUT MOCA L.I.

Museum of Contemporary Arts Long Island (MoCA L.I.), is the defined exhibition space of the Patchogue Arts Council (PAC). By redefining PAC's exhibition space from Gallery to Museum, opportunities for the community and the artists we serve grows exponentially. PAC has always been unconventional in comparison to other arts councils. Our main focuses are to make current and contemporary art accessible to everyone and service artists across Long Island. We are working to create inclusiveness in all of our opportunities. Throughout our exhibition programming, we support, promote, and encourage early, mid-career, and established artists that work in all media and all walks of life.
