As the days get shorter and darker the Village of Patchogue will begin to glow again, transforming the downtown into an open air museum as the Patchogue Arts Council presents MoCA L.Ights 2021. This program includes a series of compelling, site-specific artist-designed light works that include projection, video, animation, and gifs. Installations will take place on the facades of various architecture, the Patchogue Theatre marquee, and our pop-up projected galleries. A live broadcast of MoCA L.I. events will take place on social media!

NIGHT VISIONS | pop-up projected gallery screens will be placed in various locations throughout the Village of Patchogue creating an immersive art gallery experience for the community. Works by selected artists will be projected and screened at selected downtown locations including Roe Walkway Plaza & The Better Man Distilling Co.!

This exhibit will take place during the peak of MoCA L.Ights activities October 14 – 17, 2021, each night from 6:00 – 11:00 PM.

Artists working in any media are welcome to submit works for consideration. Please note, works chosen will be projected – physical works are NOT shown for this projected exhibit.
