ART ON THE MARQUEE®

October 14 from 8:30 PM - 11:00 PM each evening
 October 15 - December 31 from 6:00 PM - 11:00 PM each evening
 In collaboration with the Patchogue Theatre for the Performing Arts, a rotating series of artist-created videos, gifs, and animations turn the digital marquee into an alternative exhibition venue. The series of works curated for Art on the Marquee were selected from an open call. This is currently the only marquee exhibit on L.I. and is an original concept created for MoCA L.I. ghts by the Patchogue Arts Council.

ON-SITE EDUCATIONAL FAMILY FRIENDLY PROGRAMS | October 14 - 17

Offered in collaboration with the Patchogue-Medford Library and Cornell Cooperative Eastern Suffolk Extension. These on-site educational opportunities advocate for and educate viewers of all ages about our local marine environment, complimenting various artworks on view throughout MoCA L.I. ghts 2021.

Locations:

October 14 located next to Carnegie Library | 160 West Main Street

October 15 - 17 located under the Patchogue Theatre Marquee | 71 East Main Street

October 14 & 16 from 6:00 - 7:30 PM

Deep Sea Touch Table With LIVE Animals

Come meet some of our local sea creatures and see how they compare and/or contrast to their deep sea cousins that glow!

October 15 & 17 6:00 - 7:30 PM

Things That Sting and Things That Don't

Touch Table with LIVE animals

Discover what local sea creatures will sting and which ones are all hype.

Let's dispel those myths about some scary looking creatures that are really our friends!

October 14 & 16 from 6:00 PM - 9:00 PM

Storm-water Superhero's Demo Table

Explore what you can do to help our local bays and watersheds.

Educators for the Suffolk County Stormwater Management Program

will be on hand to answer your questions about rain gardens, rain barrels, and what you can do at home to prevent pollutants

from finding their way into stormwater runoff and winding up in our Rivers and Bays.

Be the Solution to Stormwater Pollution

October 14 & 15 from 6:00 PM - 9:00 PM

F.I.S.H. • Striped Bass Education

Talk with CCE fisheries specialists and find out the proper

equipment and techniques to catch and release striped bass

and other species ensuring their best survival rate. Fresh. Indigenous. Sustainable.

Healthy! Stop by and find out more about the local species that are available in Long Island's waters and the abundant resources available at localfish.org.

Visit our friends at Cornell Cooperative for more information about their programming.
